New Plan for Radio In Canada, Board Wants All Licences

High-Power Stations, Studios, Short Wave Included in Program, Committee Learns

OTTAWA, Aug. 2 (CP).—A program of expansion for the C.B.C., estimated to cost between \$1,000,000 and \$2,000,000, today was outlined before the Commons radio committee.

It was outlined along with a suggestion that total licence fees collections go to the corporation. This would increase the revenue by \$300,000 to \$4,300,000.

All this came out in evidence on future operations by Chairman A. D. Duntun and General Manager Augustin Frigon, of the corporation, who also insisted the national system's program of taking over clear-channel frequencies from three non-corporation stations was a policy clearly established years ago.

GIVES SUMMARY OF PROPOSED CHANGES

The picture of expansion and other topics included:

1. Three 50,000-watt, clear-channel stations in Alberta—between Calgary and Edmonton—at Winnipeg and at Toronto by September, 1947. These stations will take over the frequencies of the non-corporation stations—CKY, CFCN and CFRB.
 2. Possible construction of studios and offices at Winnipeg and Vancouver.
 3. Provision of adequate shortwave receiving facilities on both Atlantic and Pacific Coasts.
 4. Installation of frequency modulation stations in Montreal, Toronto, Vancouver and Winnipeg in the near future and at other points later.
- Mr. Duntun said the war had prevented any action by the C.B.C. to take up the private station frequencies "but the policy has always been there, perfectly clear."

Denies Relief Goods Stolen

ROME, Aug. 2 (AP).—Lt. Gen. Sir William D. Morgan, Allied commander in the Mediterranean theatre, struck back at Florentino H. LaGuardia today, declaring that the charges made by the director-general of the United Nations Relief and Rehabilitation Administration concerning protection of relief supplies at Trieste were "not founded on fact."

"Mr. LaGuardia's statement was made without visiting Trieste. It is not founded on fact and is a most unjust attack on the local British and American officials," said Gen. Morgan's statement. "All the true facts have been reported to the British and American Governments."

Mr. LaGuardia, in a message from Belgrade yesterday to Maj. Gen. John C. H. Lee, deputy Allied commander in the theatre, declared "millions of dollars of our supplies" were being stolen.

Asserts Britain-America Seek World Domination

MOSCOW, Aug. 2 (AP).—The Russian magazine New Times asserted today that an Anglo-American bloc is attempting to dominate the world and is alarming "the real friends of peace."

The official communist party newspaper Pravda attacked George Acheson, American chairman of the Allied four-power committee for Japan, charging that he made rude attacks on Russian proposals for free legislation and elimination of "fascist, militaristic literature" in Japan.

Malaspina Sold To Be Scrapped

Famous along the British Columbia coast as a fisheries patrol vessel for the Federal Government, the old Malaspina has been sold by War Assets Corporation to Capital Iron & Metals Ltd., Victoria, for scrap. It was announced yesterday.

During the Great War, the 118-foot coal-burning ship served off Esquimalt as a naval examination ship. She remained with the navy until 1932, when she was taken over by the Fisheries Department.

At the outbreak of the World War, she was again called up for naval service, and remained in that work as an examination and supply vessel until 1944, when she was tied up and offered for sale.

Hiroshima One Year After Atomic Blast

HERE is a view of the city of Hiroshima, first target for the atomic bomb, as it looks nearly a year after the atomic blast that shook the world. Little attempt has been made at reconstruction, because there is little building material available. Some cleaning up has been done, in the course of which hundreds of bodies were recovered from the debris. It is estimated that between 8,000 and 10,000 corpses still lie under the ruins of the city that was 80 per cent destroyed by the atomic bomb.

Registering In Canada Nears End

Check of Manpower May Be Discontinued

OTTAWA, Aug. 2 (CP).—Discontinuation of national registration is reported receiving serious consideration by the Government.

Introduced in 1941 the registration was designed as a stock-taking of manpower resources and provided the basis for compulsory military call-up.

The registration has continued in effect and costs about \$325,000 a year to keep records up to date.

This year's estimates include an item to cover this expense and speculation is that unless the scheme is eliminated before those estimates come before the House they will evoke considerable discussion. Expectations are that a decision will be reached by the Government before that time.

Plans Resort Near Uplands

At an estimated cost of \$250,000, E. L. Tait is planning to build a spacious new all-year-round tourist resort in the central portion of Cadboro Bay near the Uplands Gate.

The new resort will be ready for occupancy in the Summer of 1947 and will be completely modern and self-contained.

Covering 20 acres, the camp will have 50 separate living accommodations and will be known as "New Brighton."

One of the features of the new resort will be a two-acre "lake" that will be used for swimming and fishing. The lake will be derived from natural springs which are plentiful on the property, Mr. Tait said.

"New Brighton" will be erected adjacent to "Cadboro Court," another tourist resort owned by Mr. Tait, which is valued at \$60,000 and was built as an experiment. "Cadboro Court" will also be open for tourists next year.

Across Pacific In Fast Time

LIVERPOOL, Aug. 2 (Reuters).—The Mauretania, Cunard-White Star liner, arrived here tonight after setting a new record for the round trip to Singapore of 37 days, 5 hours and 16 minutes.

The normal voyage for troopships one way from Singapore to Britain usually occupies five to six weeks.

The Mauretania, built at Birkenhead in 1930 was designed for a maximum speed of 32 knots. In spite of six years of continuous war service and without a major overhaul, she averaged 28.48 knots for the total voyage of 18,852 sea miles.

She leaves Liverpool August 18, carrying Field Marshal Viscount Montgomery to Canada.

Rise in Price of Silver Stirs Hope Long-Forgotten Mines May Reopen

OTTAWA, Aug. 2 (CP).—The silver market is booming again in Canada and silver towns of a half-forgotten era already are reported as being the prospect of a higher price that will bring new value and new life to long-abandoned silver lodes.

The awakening of the silver interests, foreshadowing new prosperity for the silver mines, arose from the decision of the United States Treasury to pay 90.5 cents an ounce for the white metal, an increase of 19.5 cents over the present rate.

The action has boosted the price on the Canadian market to the same rate, now that the Canadian and United States dollars are at parity, and has resulted in a decision by the Canadian Mint to pay the world price—that same 90.5 cents—for the silver it buys from Canadian producers for use in minting coinage.

The developments have brought the prospect of new life to such silver towns as Cobalt, Ont., in its heyday a silver centre from 1903 onward, and a sprinkling of other silver-mining areas down through the Kootenay district of British Columbia.

They also will bring additional prosperity to the Canadian mines which have been shipping ores or concentrates containing a percentage of silver—not enough to mine separately—to American refineries.

Some of the old silver towns, Cobalt among them, are believed to be pretty well worked out so far as

Ethiopia Seeks Colonies Taken by Italy in War Conference Hears Claim

Canadian Prime Minister Proposes Meeting of Big Four To Parallel Peace Sessions Now Being Held in Paris

PARIS, Aug. 2 (CP).—Ethiopia today asked the Peace Conference to award her Italy's East African colonies of Eritrea and Somaliland, which she said were "wrung from her by Italian aggression."

Atom Moves to Medicine Probes Riddles of Life

OAK RIDGE, Tenn., Aug. 2 (AP).—Atomic energy materials to serve man began to move today from the arsenals of the atomic bomb.

Within a few days of the anniversary of Hiroshima, the United States Army delivered to science—for new attacks on cancer, diabetes and other riddles of life.

Spawning in the same chain-reacting uranium ovens at Oak Ridge that helped produce the world's most terrifying weapon, the materials delivered today were five "pea-sized" units of radio-active carbon, or "Carbon 14."

The army's Manhattan engineer district said the materials are slated to serve humanity in two important ways:

1. As "tracers," or atomic signal-givers, for following the course of non-radiant atoms in many processes that offer riddles to medicine, industry, agriculture, metallurgy and other branches of science. A major use will be investigating the causes of disease.

2. As possible therapeutic agents for the treatment of certain maladies, such as leukemia and thyroid disease.

In London's Ruins The Poppies Grow

LONDON, Aug. 2 (AP).—Poppies, the heroes' flower, blossomed this week in London's bomb ruins, the first wild poppies the city's centre has seen since men covered the open fields with houses centuries ago.

Children rushed into the open to pick them, growing where Londoners had died. Other wild flowers, more than 100 varieties, had appeared in the charred wreckage earlier.

India Troops To Protect South Persia

Prepare for Action If Occasion Demands

NEW DELHI, Aug. 2 (CP).—The Indian Government announced tonight that it was sending troops to Basra, in Southern Iraq, "for the protection, should circumstances demand it, of India, British and Arab lives, and to order to safeguard Indian and British interests in South Persia (Iran)."

Basra is a city in the Iraqi province of the same name at the end of the Persian Gulf, bordering on the Iranian Province of Khuzistan. The distance from Basra to the Khuzistan town of Abadan, terminus of the pipeline from the Anglo-Iranian oilfields, is only 30 airline miles.

The Foreign Office announced in London two weeks ago that a strike in the Anglo-Iranian Oil Co. properties at Khuzistan resulted in the deaths of 17 persons and the wounding of 15 others.

Member Rebukes "Not Old Fogies"

OTTAWA, Aug. 2 (CP).—Howard Green (P.C., Vancouver South) today was rebuked by his deskmate, "I'm closer to 60 than 70"—J. R. MacNicol (P.C., Toronto Davenport) in the Commons when the former referred to members as a "lot of old fogies."

Mr. Green, 51, made the statement when the Commons, after hearing him make a strong plea for abolition of the tax on soft drinks, came to a resolution authorizing a decrease of duties on tea and coffee. Mr. Green pointed to the resolution as a good argument for removing the tax on soft drinks.

Said Mr. Green: "We are a lot of old fogies who drink tea and coffee."

Said Mr. MacNicol, jocularly, "All of us are in favor of youth getting soft drinks cheaper. We are not old fogies because we drink tea and coffee."

Veterans of Famous Regiment "Went Active" 32 Years Ago

Former members of the 88th Victoria Fusiliers are recalling today they went active 32 years ago at the outbreak of the Great War. There are at least 15 of the "old sweats" living here, and many of them served with distinction throughout the entire conflict.

On August 3, 1914, the Fusiliers were drilling in the old drill hall on Messias Street. At 10 p.m. the late Col. John A. Hall announced war had been declared in Europe. He told the men they could consider themselves mobilized for active service, and it was in order to pick the softest beds for their beds.

They remained there until 4 a.m., and then marched to the 88th Victoria Fusiliers' Regimental Club at Fort and Langley Streets in a building torn down several years ago. At 5:30 a.m. they were told to go home for their shaving kits and toothbrushes.

Fusiliers returned in the clubrooms at 7 a.m. after fond farewells, and headed by their band marched to the east side of the old drydock

Tanker Explodes In Haifa Harbor

JERUSALEM, Aug. 3 (AP).—The British tanker Empire Crown exploded and sank while unloading in Haifa Harbor tonight. Twelve of a crew numbering between 30 and 40 were rescued.

There was no hint from any source that the explosion was connected with Jewish terrorist activities or with the fact that some 3,000 illegal Jewish refugees are now awaiting permission of the British Government to disembark at Haifa.

King Gives Canada's Formula Parallel Big Four Conferences

PARIS, Aug. 2 (CP)—Prime Minister Mackenzie King today advanced Canada's formula for a smoother progress of peace deliberations and stressed the imperative importance of success, but hinted that the Dominion felt her participation in peace decisions had been "limited."

He said Canada felt that the measure of her participation in the World War would have warranted a similar measure of participation in peace discussions. Then he added:

"In the event, these hopes are not being realized."

"We have, however, the limited opportunity afforded by our participation in this conference not only to assist in shaping the first of the peace treaties, but also to make known our views on certain instalments of the general peace settlement."

The statement, viewed by some as an indication that Canada is not entirely satisfied with her role at the Peace Conference, prefaced the Prime Minister's outline of a Canadian proposal that the Big Four Foreign Ministers meet from time to time to review recommendations arising from plenary sessions.

Even as Mr. King spoke, word circulated that the Dominion plan was "watching on like wildfire," with most of the 17 smaller countries at the conference viewing the proposal favorably.

The Canadian Press learned that the Big Four Foreign Ministers likely will hold "shadow" meetings during later stages of the conference.

As Mr. King rose to speak, Foreign Minister Molotov of Russia walked from the chamber. He was followed by two Russian generals and a civilian, all members of the Soviet delegation. The only senior Soviet delegate to remain seated was Fedor Gusev, Russian Ambassador to Britain, who formerly served as Ambassador to Canada.

There was no immediate explanation for the sudden departure of the three Soviet delegates.

Mr. King's proposal on concurrent Big Four conferences was believed to have sprung from an urgent Canadian desire to prevent major splits between big and small powers. Such conflicts have been threatening ever since the conference started last Monday, particularly regarding voting procedure and rights reserved by the Big Four for writing final treaties.

The Prime Minister stressed that it would be unfortunate if in this conference the "real issues were to

be obscured by any false antithesis between the interests of smaller and larger nations."

Speaking of Canada's position at the conference, he said the Dominion has a "vital and compelling interest" in the peace settlement, adding that "our principal duty and interest lies in helping countries more directly concerned to work out agreed solutions which are fair and likely to ensure."

"We have had enough of the mailed fist," said Mr. King. "What our world needs today is the hand of the physician."

Pearkes Asks Tax Relief For Militia

(Special to The Daily Colonist)

OTTAWA, Aug. 2 (CP)—A strong plea for relief for the non-permanent militia from income tax on their pay and allowances was made in the House of Commons today by Major-General Pearkes, V.C.

General Pearkes urged they should be relieved of the tax entirely on pay and allowances for normal training. If the Government declined to do this he requested that these persons should at least be allowed to deduct contributions made to regimental funds in their income tax returns. General Pearkes based his arguments on fair play and the necessity to make the non-permanent service more popular.

These personnel gave up their spare time to prepare themselves for the defence of their country, and any pay and allowances which they drew could not be regarded as their regular source of income, General Pearkes declared. On an average they drew about fifteen days pay during a year, out of which the custom has been for officers, non-commissioned officers and men to contribute varying amounts to their regimental funds. He would not say it was the universal practice but it was done in a great many units.

"It is no exaggeration to say that if it hadn't been for the work of the non-permanent militia between the first and second World Wars, we could never have been able to mobilize in the time we did when the second war broke out," General Pearkes said.

"The men you are now trying to encourage to go into the three services are young men just starting out in life," General Pearkes declared. "Many of them have not a great deal of money, and if they find themselves raised to a higher bracket for this reason it might be a deterrent."

Acting Finance Minister Douglas Abbott said he was against tax exemptions. However, contributions by members of the Reserve Army to regimental funds would be deductible from income for tax purposes.

No Title Deed No Land Tax Nets \$7,000

FORT ST. JOHN, B.C., Aug. 2 (CP)—Nels Levey expects to get more than a \$7,000 crop from a farm he does not own and for which he doesn't pay rent.

A steel worker in Tillsonburg, Ont., during the war—Nels became crippled and decided to go West—he tried to buy a tract of Crown land at Cherry Point, on the banks of Alberta's Peace River, but the Government refused to sell.

Not being broken by this refusal, he hired men to clear and cultivate the fertile area on which he was camping. As a result this will be his first real crop—38 acres of flax, worth \$650 a bushel.

"Nice thing about farming land you don't own is that you have no mortgages to look after, no land tax to pay and no needs to store away," said Nels as he began preparations for harvest.

"I know that I may have to get out any day, but I'm taking a chance. It's better to work the land than let it run wild."

House Debates Salary Raise For Judiciary

OTTAWA, Aug. 2 (CP)—During Commons consideration of a bill increasing salaries of Dominion and provincial judges, John Diefenbaker (P.C., Lake Centre), supported the bill, but objected to a provision which he said would allow a judge, after a few years on the bench, to accept a diplomatic post at high remuneration, and then return to his bench to obtain pension benefits.

He referred particularly to the case of Hon. T. C. Davis, High Commissioner to Australia, now home on leave pending retirement. He said Mr. Justice Davis after service in Saskatchewan courts had filled various Government appointments before going to Australia. Reports were that he now would leave the bench to enter the diplomatic service.

Mr. St. Laurent said that "with respect to Mr. Justice Davis' case section will provide that when he retires from the public service he will be in the same position as if he were retiring from the bench."

Mr. St. Laurent said the new legislation would provide that no one could retire from the bench before the age limit unless the Governor-in-Council ruled it was in the public interest he should do so.

Don Fleming (P.C., Toronto Eglington), said the legislation should be withdrawn and a new bill to deal with Mr. Justice Davis' case brought in but Mr. St. Laurent said if Mr. Justice Davis had to leave the bench he would have to leave it entirely.

Mr. Diefenbaker said he was opposed to a pension being paid in an "indirect right."

The provision was a "relief section for an individual case" and should be withdrawn. A measure of security was being given which was not extended to other members of the diplomatic service.

Deputy Mayor Walks Through Picket Lines

HAMILTON, Ont., Aug. 2 (CP)—Alone and on foot, alderess Nora-Frances Henderson, member of the Hamilton Board of Control, today ignored whistles and shouts of "get married and be happy" to walk through picket lines surrounding the strike-bound Steel Company of Canada plant.

She said she wanted to see that pickets were not interfering with personal liberty.

The five-foot three-inch vice-chairman of Hamilton's Board of Control braved the boos of the mass pickets because she "deemed it my duty as an elected representative to see that the law is upheld."

The lady council member, who is also deputy mayor, said in a statement that she wished it "clearly understood" she was not supporting labor or management and she believed in labor organization and "the rights and value of peaceful picketing, which is lawful." However, she said that "no pickets have a right to prevent the passage of persons by forcible means."

Police Hold Four In Clothing Theft

OTTAWA, Aug. 2 (CP)—Police held four men today in connection with thefts from railway cars which one investigator said had resulted in disappearance of "a large amount" of the clothing gathered together for to aid impoverished and tattered peoples of the world.

Brenton B. Harris, special investigator for the Canadian National Railways, said "unfortunately we cannot say exactly how much has been stolen, but we have learned from preliminary investigation that truck-loads of the stuff found its way down to a man in Orleans, Ont., near Ottawa, where it was repacked and sent to Montreal to be sold."

Pens Saved

LADNER, Aug. 2 (CP)—Better than 90 per cent of the 385 acres of peas and beans dusted from the air with D.D.T. solution were saved from the aphid plague, examination of the crops showed today.

Silent Chinese Born in 'Frisco

HONOLULU, Aug. 2 (CP)—"Are you guilty or not guilty?" Judge John A. Mathewman today asked a Chinese brought before him.

The Chinese grinned but remained silent.

"If the court please," interposed his attorney, "my client does not speak English. He was born in San Francisco."

Steel Strike Negotiations May Reopen

OTTAWA, Aug. 2 (CP)—An attempt will be made Monday by the Commons Industrial Relations Committee to settle the 18-day steel strike.

Decision to ask representatives of the three companies affected by the strike was reached today at a two and a half-hour meeting of the committee in camera.

At the conclusion of the meeting, Ralph Maybank (L., Winnipeg South), acting chairman, met newspapermen and announced the representatives of the steel companies were being asked to return to Ottawa.

C. H. Millard, Canadian director of the United Steelworkers of America (C.I.O.) will also be on hand.

Mr. Maybank declined to elaborate or to comment on speculations that the Government would suggest settlement for less than the union had offered.

Monday's conference, presuming the committee succeeds in its objective, will bring the union and employers together for the first time since the strike started July 15.

Mounties Retain Famed Red Coats

OTTAWA, Aug. 2 (CP)—The Mounties, at least those on Parliament Hill, aren't going to part with their far-famed red coats if they can help it.

Angus MacInnis (C.C.F., Vancouver East) suggested tonight that steps be taken to relieve R.C.M.P. constables on duty outside the Parliament Buildings of wearing the heavy coats during the summer.

Justice Minister St. Laurent said the Government already had considered the matter, but got the impression there would be "keen regret" if the men were shorn of their picturesque coats.

Weary Foresters Fight Fires Large Blazes Menace Moncton

By The Canadian Press

Forest and bush fires posed a major problem today in New Brunswick and Ontario and an appeal for volunteers went out as weary foresters fought frantically to keep a gap between two big blazes burning within eight miles of Moncton.

New Brunswick officials said one difficulty in combating fires which have destroyed 50 square miles of timberland was lack of manpower. They asked citizens to aid the fight against the Westmorland County fire, which threatened to merge into one vast conflagration.

Various new outbreaks complicated the fight of the New Brunswick foresters whose chief battle was being waged along a branch railway between Painswick Junction and Scoudouc, where bulldozers were being used.

A drenching rain appeared the only hope of quenching the New Brunswick fires, and last night foresters there said rain could not be hoped for inside of 36 hours.

There was no immediate hope of rain either in the Sudbury district of Northern Ontario, where 14

Goldenberg Commission To Resume

The Provincial Government will submit its brief to the Goldenberg Commission on municipal-provincial matters in Victoria at public hearings scheduled to begin August 12.

It was announced today by Commissioner Carl H. Goldenberg on his return to Vancouver from Montreal. Mr. Goldenberg will arrive in Victoria on Sunday.

Presentation of the British Columbia Government's brief, and examination of Government representatives, will probably take two days. It will wind up the fact-finding job of the commission, who earlier this summer received municipalities' briefs in a series of public hearings through the province.

It is expected the municipalities will submit written replies to the provincial brief but no more public hearings are scheduled after the final one August 12.

The final hearing will be unique in that never before has a provincial government presented evidence at a public hearing of a commission which the government itself appointed.

Mr. Goldenberg said he would stay in British Columbia to write his final report, which he said he hoped to complete this fall.

Prince Rupert Householders Told Secret

PRINCE RUPERT, Aug. 2 (CP)—Householders here came very close to having Canadian troops billeted in their homes during the dark days of the Pacific War and the Federal Building nearly became a battle headquarters.

Col. S. D. Johnson, Canadian Army commander in Prince Rupert in 1942, told a Rotary Club meeting today.

"The Canadian Army practically opened battle headquarters here," he said, "and was going to turn the Post Office and customs out of the Federal Building."

At one time he was ordered to prepare billets for 1,200 men.

"I realized that this was not Europe and that civilians were not used to the idea of having troops billeted on them. So I decided to see what other arrangements could be made. Eventually, we arranged to have one company placed in the Metlakatla town hall, another at Digby Island and others in the canneries on the Skeena River."

Col. Johnson disclosed that May 30, 1941, two Japanese cruisers, two transports and escort vessels were lying 400 to 500 miles off the Coast.

"The crisis was considered so grave at local defence headquarters that the United States Army commander turned 800 of his service troops over to me."

But the Japanese turned north and struck at Dutch Harbor in June.

As proof of their victory at the ballot box—and with guns—the veterans tonight displayed a written statement from the secretary of the election commission that:

"Next Monday at 10 a.m. I will sign an election certificate certifying that the 'G.I. ticket' was elected."

The victorious veterans late in the day turned law and order in Athens itself back over to Police Chief Herbert Walker, but affirmed they were still "holding control" of the county and maintaining order.

Strike Threat At Penticton

VANCOUVER, Aug. 2 (CP)—Daniel O'Brien, regional director of the Canadian Congress of Labor, said here tonight that a strike is pending among 70 employees of the Penticton town council.

The strike threat arose out of the alleged refusal to abide by a recent conciliation-board award, he said.

WASTE NOT

While others want...

ON THE FARMS :

To gather in a full harvest this year, extra help is urgently needed on the farms. Precious crops must not be left in the fields . . . a hungry world awaits every bushel of wheat we can send.

IN THE HOMES :

Every member of your family should be one of Canada's famine fighters. Buy and use less bread, flour, wheat and wheat products, eggs, cheese and meat. As substitutes, use fruit and vegetables . . . and preserve a supply for winter.

Turn in all the meat coupons you can spare to your local Ration Board. For every coupon donated, an equivalent amount of meat is added to desperately needed food shipments.

The world food crisis is grave, we must all prevent waste in the fields and homes of Canada.

Share with the hungry!

Car Keys Gone? Try Chief It's His Plan to Stop Theft

Motorists who leave ignition keys in parked automobiles on city streets may find the keys missing one of these days. Police Chief McLellan said yesterday he was giving consideration to a plan of having keys collected and brought to the station if the habit of leaving them in unattended cars is continued. His plan is designed to prevent theft of cars.

Drivers who made a couple of trips to the police station on foot to claim their keys may find the inconvenience sufficient to deter them from future negligence in this respect, the chief said. In addition the plan would protect cars from theft.

Commenting upon a suggestion that the city levy a fine against drivers who leave keys in parked cars, Mayor Percy E. George said yesterday, "I heartily endorse the suggestion."

FINAL TRANSPORT PLANS

Alderman H. M. Diggon said yesterday he hoped final specifications for a unified transportation system for Greater Victoria would be drafted at a meeting of the new five-man transportation committee on Tuesday. These final specifications would then be sent to each municipal council for inspection and approval, he said.

Miss Smith is the 17-year-old daughter of Mr. and Mrs. Thomas Smith, 537 Burrill Road. She will receive the badge from W. C. Mainwaring, provincial commissioner of the organization, at a special ceremony now being planned.

BISHOP CODY HONORED

The Quebec Government today sent greetings to Msgr. John C. Cody, Bishop of Victoria, in conjunction with the 100th anniversary of the foundation of the Victoria diocese. The following telegram was received by Bishop Cody: "I am pleased to present you with my best wishes on the occasion of the centenary of Victoria diocese. Quebec continues to be interested in the progress and development of your diocese, first Bishop of which was a son of Lewis County, Msgr. Demers."

Sale of 580 parcels of city-owned property for \$233,394 during the first seven months of the year was announced yesterday by Alderman R. A. C. Dewar, chairman of the land and zoning committee. The figure is more than three times the amount realized in 1945 when 257 parcels were sold for \$72,664.

During July 212 parcels of land went for \$15,763, which is slightly lower than last year's total when 67 parcels were sold for \$22,390.

ALL DAY CLOSING

Retail shoe merchants' Association of Victoria has prepared a petition to the city asking for permission to close all shoe departments and stores all day on Wednesdays. The petition bears 23 signatures. A. V. King, president, says he hopes to place the petition before the City Council on Monday. It is similar to the petition forwarded by city meat dealers to the council two weeks ago and now under consideration.

The first Friday Frolic sponsored by the city and arranged by the Youth Action Committee was attended by well over 900 people at Beacon Hill Park last night.

Fred Usher was master of ceremonies and the music was provided by Ernie Fullerton and his Home Towners.

Highlight of the evening was an amateur contest which was followed by singing, dancing and a variety program.

A. J. O'Reilly Dead at 73

Arthur John O'Reilly, 73, youngest and last surviving son of the Honorable Peter O'Reilly and Mrs. O'Reilly and nephew of Sir Joseph Trutch, first lieutenant-governor of British Columbia, died on August 1 in his father's home, 2616 Pleasant Street.

He served in the Great War with the R.N.V.R. as a sub-lieutenant. Later he transferred to the Royal Naval Air Service as an observer, and concluded his military service as a major with the Army Air Service.

He was called to the bar of British Columbia and went into partnership with W. C. Moresby, K.C., which he continued until the outbreak of the Great War.

After his return from the war he associated with his brother, the late Francis J. O'Reilly, in the real estate insurance business. Mr. O'Reilly was a member of the Union Club and the Britannia Branch of the Canadian Legion. He was married in England in 1914 to Mary Beresford Windham, of Remington Hall, Norfolk, who survives him together with one son, John Wintham.

Funeral services will be held Monday at 3 p.m. from St. John's Anglican Church, with interment in Ross Bay Cemetery.

SCARBOROUGH, England (CP)—London should arrive to replace Leipzig as the world's printing centre, Sir Norman Scorgie, controller of the Royal Stationery Office, said in an address.

City Air Cadets at Gliding School

Officials at the opening of the glider training school for air cadets at Patricia Bay yesterday afternoon gathered for an informal chat after formalities were over. Shown in the upper picture, from left to right are: Air Marshal G. M. Croil, chairman of the Provincial Gliding Committee of the Air Cadet League of Canada, who officially opened the school; J. B. Taylor, manager of both the Victoria and Island Gliding Club; John Rowland, instructor at the school; and J. Peers, gliding school manager. There are a number of Victoria Air Cadets at the glider training school. Some of them are seen in the lower picture standing beside a Switzer glider. From left to right, they are: Sgt. K. Clark, 518 George Road West, Ft. Sgt. A. Miller, 781 Ralph Street; A.C. G. E. Hunter, 2451 Oregon Avenue; A.C. D. I. Routley, 3396 Salisbury Way; and A.C. A. Smith, 1212 Lyall Street.

Croil Opens Instructors' School For Gliding at Patricia Bay

With tanned faces, and a light of anticipation in their eyes, a group of smart-looking air cadets gathered on a landing strip at Patricia Bay yesterday afternoon.

They stood at attention with senior personnel of the R.C.A.F. station as Air Marshal G. M. Croil made a brief address on the official opening of the gliding instructors' school at the station. He is chairman of the Provincial Gliding Committee of the Air Cadet League of Canada.

A considerable number of air cadets had been interested in the training course, Air Marshal Croil said, and he hoped those receiving the course would find it "a step in the right direction."

"All the cadets want some means of flying," he said, "and there are no power craft available." He said he hoped the cadets would make the most of the one-month training period.

Ten officer cadets will be trained first, and they in turn will instruct their cadet units. Instruction will be under the direction of John Watt, Vancouver.

Three gliders will be used during the training course, and operations will be accompanied by the use of two-way radio sets.

The cadets will learn airmanship, meteorology and navigation. In addition, they will receive 12½ hours flying time, two of them solo.

At the end of the month the cadets will be tested in flying and ground training. Those passing successfully will be presented with certificates by the air officer commanding, Western Air Command.

May Protest Parcel Rate To England

High mailing charges for parcels being sent from Victoria to England were brought to the attention of the Lions Club yesterday at its regular luncheon meeting at the Empress Hotel.

After a suggestion by Jack Beadhouse, President John Priestly said the matter would be discussed at the next meeting of club directors. "It costs about as much to send a parcel to England as the total value of the contents," remarked J. E. Cooper, who said a request for lower rates should be made to the postal authorities by all service clubs of Greater Victoria. He suggested that the Chamber of Commerce be asked for its support.

L. W. Taverner wanted the weight limit for England-bound parcels to be boosted.

Another member said postal rates were an international matter and suggested that parcels be "pooled" and shipped to England as freight.

Speaks on Care Of Old Paintings

Care and preservation of the "old masters" was discussed by Walter P. Jeune yesterday before the Lions Club at the Empress Hotel.

"Pictures tell stories about people, their dress, their customs and their battles," Mr. Jeune stated.

Speaking of the values of "old masters," Mr. Jeune said they depended on the supply and demand. Most of the famous paintings of the world were catalogued, he said, and could be located with little difficulty.

He felt too few people took an interest in painting and was glad students of many Victoria schools were now receiving training in art appreciation.

Between 20 and 30 members of the Port Angeles Lions Club will be guests at next week's meeting. Jack Fuller is making arrangements. Jack Cooper reported on the picnic to be held tomorrow at the Experimental Farm, Saanichton. A full program has been planned, and a large turnout is expected. The Victoria Boys' Band will attend.

Blithe Spirit Curtain Calls

Noel Coward's famous comedy "Blithe Spirit" will be repeated for Victoria audiences August 13. It has been announced by the Little Theatre.

The play, with its original cast and setting, is being given by special request for the delegates to the Pacific Drama Conference August 12 and the directors of the Little Theatre have decided to repeat it for the general public the following day.

Last season's production of "Blithe Spirit" was reputed to be one of the finest amateur performances ever given in the city.

Home Ransacked On Joan Crescent

A wrist watch valued at \$35, a pen and pencil set valued at \$15 and \$4 in cash were stolen from the home of A. H. Cox, 850 Joan Crescent, which was ransacked during the past few days, city police reported yesterday.

Detectives W. P. Richards and M. Wilkinson discovered entry had been gained by breaking a small pane of glass in the kitchen.

City Engineer to Survey Cost Of Repairing Southgate Street

A survey of the work necessary and an estimate of cost to put Southgate Street between Cook and Vancouver Streets, in good repair will be undertaken by the city engineer in the near future, Alderman Dr. J. D. Hunter said yesterday, following a meeting of the city public works committee.

Due to complaints of residents in this area that operation of heavy buses along this street was causing damage to their homes and property, the B.C. Electric Railway Co., Ltd., has restored lighter vehicles to the route.

Linde Avenue, which is also used as a bus route, is at present being completely rebuilt from May Street to Faithful Street, and will later be done all the way from Oscar Street to Dallas Road.

A recommendation from Chief of Police J. A. McLellan that five stop signs be placed to control traffic at the intersection of Blanshard, McClure and Collison Streets, will be studied by the committee and the chief on the spot, it was decided.

Also recommended for approval

a plan for the subdivision of the Shotbolt estate, which include a storm drain, sanitary sewer and 600 feet of four-inch water main, will be \$3,035. A roadway 480 feet long and 24 feet wide, storm drains and catch basins will be constructed by the owner at a cost of \$3,400.

Narcotics Stolen At Oshawa, Ont.

OSHAWA, Ont., Aug. 2 (CP)—Thieves last night broke into the Anglo-Canadian Drug Company here, blasted a safe and escaped with narcotics which company officials said will sell for \$200,000 to dope peddlers.

Walter Famine, chief chemist of the company, said the loot of powders and pills of morphine, heroin, diionin and codeine were valued at more than \$5,000. He said each individual pill would sell for at least \$1.25 and he estimated thousands of the pills were stolen.

From Vancouver to Make Home Here

An interesting newcomer to Victoria is Mrs. H. A. Wallace who recently arrived from Vancouver with her family to make her home here. Mr. and Mrs. Wallace and family are spending the summer at the Russell Ker home at Finerty Bay and will later move to their home in the Uplands.

West United Scene Of Pretty Wedding

Last evening at Victoria West United Church, Rev. J. C. Jackson officiated at the marriage of Florence-Victoria, daughter of Mrs. J. B. Cracknell, 1013 McCaskill Street, Victoria, and Mr. William Cracknell, Vancouver, to William James Wallace, son of Mr. and Mrs. Steve Wallis, 3212 Rutledge Street.

Mrs. J. Swetnam presided at the organ and while the register was being signed Mr. Sam Swetnam sang "Because."

The bride, given away by her uncle, Mr. F. V. Ramadale, was lovely in a gown of white broadcloth with a high collar and long sleeves, and full floor-length skirt. Her toe-touching veil of fine net was arranged under a Mary Stuart headpiece trimmed with orange blossoms. To complete her ensemble the bride wore a gold locket and carried a shower bouquet of red roses and white carnations. The bride's two sisters, Miss Audrey and Miss Grace Cracknell, attended her, the former as maid of honor, choosing sea-green crepe with headpiece and gloves en suite; and the bridesmaid wearing pale pink with long pink mitts, and matching calot trimmed with veiling and blue flowers. They carried loose Colonial bouquets of pink carnations, and pastel sweet peas centred with a rosebud. The best man was Mr. Harry Wallis, brother of the groom, and the ushers were Mr. Roy Phillips and Mr. Frank Cracknell, cousin of the bride.

Engagements

Mr. and Mrs. R. Earl Chambers, 426 Chester Street, announce the engagement of their daughter, Sheila Gertrude Brand, to Mr. Palmer (Paul) Maynard Nerland, second son of Mr. and Mrs. O. M. Nerland, Medicine Hat, Alta. The wedding will take place in St. John's Church, Saturday, August 31, at 4:30 p.m.

Announcements to appear under this heading will be accepted at The Colonial Advertising Department. Minimum charge \$100 for 10 lines, and the fee for each additional line.

ADMITS LICKING FINGERS

LONDON, Aug. 2 (Reuters).—Dr. Edith Summerskill, Britain's Parliamentary Secretary to the Ministry of Food, looks smart and sophisticated, but she likes to lick her fingers after eating a chocolate bun.

In the House of Commons today a member complained about the bad manners of some customers in service yourself cafeterias. Called on to reply, attractive, red-haired Dr. Summerskill said:

"I have to plead guilty myself to licking my fingers after a chocolate bun—and I defy any members to say they don't lick theirs, particularly today when it is so difficult to get chocolate."

Pretty Wedding at Mill Bay Of Wide Interest on Island

A pretty "all-white" wedding, of great interest in South Cowichan and Lower Island-centres, where the bride's family is well known, was solemnized Saturday evening, July 20, in the Mill Bay United Church, Mill Bay, when Winnifred Edith, only daughter of Mr. Harry G. Webber, of Shawanigan Lake, became the bride of Mr. George Wesley Edward Soule, eldest son of Mr. and Mrs. George Soule, of North Bay, Ontario. Rev. T. Moore, of Quadra Island, a friend of the bride's family and formerly of Shawanigan and Mill Bay, officiated.

The bride, who entered the church on the arm of her father, was radiant in a floor-length gown of white net and lace over satin, shirred at the waist, with high-neck veil of white net. A floor-length veil of white net descended from a crown of stiffened old Irish hand-made lace. She wore a pearl pendant, loaned by her aunt, and carried a bouquet of American Beauty roses.

Out-of-town guests included Mr. and Mrs. George Soule and June of North Bay, Ontario; Mr. and Mrs. T. Alston, New Westminster; Mr. Bernard Webber, Vancouver; Mr. and Mrs. Henry Webber, Mr. A. Messerschmidt, Mr. and Mrs. C. Minihunick, Mr. and Mrs. F. M. Gannon and family, Mr. and Mrs. W. Smith, Miss J. MacGachen, Mrs. L. Worsley, Miss V. Parker, Miss V. Lamb and Mr. and Mrs. E. Harper, all of Victoria; and Mr. and Mrs. G. Whittaker, Cowichan Station.

Attending the bride as maid of honor was Miss Thelma Brewer, of Shawanigan, wearing a floor-length dress of white satin with long torso and sweetheart neckline. She wore a green sequin calot and gloves to match. The bridesmaids were Miss Marjorie Ross, of Shawanigan, and Miss Marilyn Sehl, of Victoria, both in floor-length dresses of white crepe fashioned with long torsos and sweetheart neckline, and wore blue and orchid calots and gloves, respectively. The maid of honor and bridesmaids carried arm bouquets of sweet peas to complement their accessories.

Mr. Bernard Webber, brother of the bride, supported the groom, while Mr. Robert Webber and Mr. Lewis Brewer acted as ushers. The wedding music was played by Mrs. E. Gibson, who rendered "Lovebirds," "Bridal Chorus" and Mendelssohn's "Wedding March" on the wedding party's arrival at and departure from the church, and Gertrude Sans-Souci "When Song Is Sweet," during the signing of the register. The church had been tastefully decorated with flowers.

A reception for 90 guests followed at the home of the bride, where assisting the couple receive were Mrs. George Soule, mother of the groom, in an attractive gown of figured navy blue crepe, navy accessories, and her daughter, June, and Miss Mary Larsen as hostess.

The bride's table was tastefully decorated with a beautiful hand-made Chinese lace cloth, mirror, pastel flowers and tapers, and was centred with the three-tier wedding cake. The toast to the bride and groom was proposed by Mr. T. Alston, of New Westminster, uncle of the bride.

For a honeymoon trip Up-Island by motor, the bride wore a French blue jersey gown with matching

Couple to Make Home in Montreal

A quiet wedding was solemnized in Oak Bay United Church on the evening of July 30 when Betty Clara Victoria Richardson, daughter of Mrs. E. S. Richardson, 2808 Deadney Avenue, was united in marriage to Major James Stuart Dumphy, son of Mr. and Mrs. J. W. Dumphy, of Montreal. Rev. W. McPherson officiated.

The bride, given in marriage by her uncle, Mr. R. E. Burns, wore a blue crepe afternoon frock with white mohair hat and corsage of gardenias and pink rosebuds. The bridesmaid, Miss Evelyn Moore, wore a shell-pink crepe afternoon frock, pink flower hat and corsage of pink carnations and rosebuds.

Capt. John Bagley was the best man.

A reception for 60 guests was held at the home of the bride's mother following the ceremony. Mr. A. H. Sutherland proposed the toast to the bride and during the evening Mr. Fred Wright sang several songs. For a honeymoon trip to the East, the bride wore a powder-blue suit with fur trim and white accessories. Major and Mrs. Dumphy will make their home in Montreal.

Symphony Concert In Park Sunday

The first of a series of two outdoor popular symphony concerts will be given in Beacon Hill Park, Sunday, August 4, at 2:30 p.m., when the Victoria Symphony Orchestra, under the baton of Melvin Knudsen, presents a program of favorite selections.

An interesting item will be the performance of the march, "British Columbia," a composition by Victoria's own John Rowland. There will also be a short community hymn-singing, led by Mr. Knudsen. The symphony concert will not take place on the bandstand, but in an area specially selected and prepared by Mr. Warren, park supervisor. There will be a few seats available for disabled veterans.

Following is the program: March

"British Columbia" (John Rowland); overture, "Orpheus" (Offenbach); Allegro Con Fuoco (from "New World Symphony") (Dvorak); Pavan (from "Second American Symphony") (Gould); Hungarian Dance No. 1 (Brahms); "Finlandia" (tone poem) (Sibelius); "Dance Chinois" (ballet "Dance Les Mirlitons" (Tchaikovsky); selection from "H.M.S. Pinafore" (Sullivan); Waltz Op. 333 (Strauss).

Mr. and Mrs. George Wise, 464 Head Street, who will celebrate their golden wedding tomorrow, were married in Glenora, Scotland, on August 4, 1896. Mr. Wise came to Canada in 1902 and to Victoria in 1906, and has resided at 464 Head Street since that time.

Summer Party At Solarium

Open house at Queen Alexandra Solarium at Mill Bay will be held on Wednesday, August 14. The affair will be opened by His Honor Lieutenant-Governor W. G. Woodward and Mrs. Woodward at 2:30 in the afternoon. The Navy Band will salute the Lieutenant-Governor and Mrs. Woodward on arrival, and as this will be one of the last of their official visits to the Solarium, the board of directors has asked His Honor to plant a flowering shrub here on the grounds in commemoration of his term of office as Lieutenant-Governor of British Columbia.

The first summer garden party, replacing the previous Christmas party, was held on V-J day last year and proved so popular that it was decided to make the Summer party an annual affair.

Special invitations are not being sent to all the organizations who so generously supported the Solarium but it is hoped that they will send representatives. Also all friends and members of the public who are interested in the work being done for crippled children at the Solarium are requested to attend. Tea will be served on the lawn, and during the afternoon the Victoria Girls' Drill Team will perform under the direction of Captain Foster and the Navy Band through the kind permission of Captain J. C. I. Edwards will be in attendance. Booths are being set up for the sale of the children's handicraft work.

Transportation facilities have been arranged through the Vancouver Island Coach Lines and those who wish to avail themselves of this bus service are asked to be at the Coach Lines Depot at 1:15.

Members of the board of directors on the garden party committee include Mrs. D. J. Mufgford, convenor; Mrs. Curtis Sampson, Mrs. Peden, Mrs. A. W. E. Piffethley, Dr. J. D. Hunter, and from the Solarium staff, Miss Dorothy Andrew and Mr. C. W. Laubach.

Little Stories for Bedtime
BY THORNTON W. BURGESS

HAPPY JACK HAS A SHOCK
Why many of the chestnut trees were dead—and others were dying Happy Jack hadn't the slightest idea. He simply knew that trees which were old when his grandfather was little, and which had seemed so big and strong that they would live forever, were now dead. That they hadn't died of old age he was sure, because young trees had died in just the same way, and others were sick, so that they probably would die too. It was sickness which spread from one tree to another.

One day Happy Jack had stopped to rest on a branch of a big chestnut tree which was dead at the top and which he felt sure would be wholly dead in another year. As he sat there who should come along but Farmer Brown's boy and Farmer Brown himself. They stopped when they came to the big tree where Happy Jack sat.

"Here's another that will have to go," said Farmer Brown. "We'll cut it this winter. As a matter of fact I think we will have to cut out all the chestnut trees in the Green Forest. I don't think there is a chance for one of them to escape the blight."

Now Happy Jack didn't know what blight meant, but he guessed, and he guessed right. It was the disease of sickness which was killing the trees. He gave Happy Jack very much of a shock to hear them propose to cut out all the chestnut trees, but something he heard a few minutes later gave him a still greater shock.

"It's queer how this blight spreads from tree to tree," said Farmer Brown's boy. "You know they say that it is possible the birds and squirrels carry the disease from tree to tree on their feet and so spread it. I wouldn't be at all surprised if this is so." Just then he caught sight of Happy Jack. "What are you going to do, you grey rascal, when there are no chestnuts?" he cried.

"The time is coming when there won't be a single one, and I believe it is largely your own fault. There probably isn't a single chestnut tree in all this part of the Green Forest which you or your cousin Chatterer hasn't visited and carried the blight on your feet."

Farmer Brown and Farmer Brown's boy went on, but Happy Jack sat right where he was, too shocked to think of moving. "It's no such thing! It's no such thing!" he kept on saying over and over as he looked at the bottom of first one foot and then another. "The idea of saying that I have killed the trees which give me a living. The idea! The very idea! There isn't

Mrs. Hutchinson Heads Alumni
Mrs. G. F. Hutchinson was elected president of St. Joseph's Hospital Alumni at the annual meeting held in the Nurses' Home last evening.

Other officers elected were Mrs. R. Ditchburn, first vice-president; Miss M. Latour, second vice-president; Mrs. P. Webb, treasurer; Mrs. J. Shelley, secretary; Miss M. Grant, corresponding secretary; Mrs. G. F. Rose, press, and Mrs. F. C. E. Roome, refreshment convener.

An interesting event of the evening was a presentation to Sister Mary Clare on the occasion of the 25th anniversary of her profession. A refrigerator for the diet kitchen in the Nurses' Home will be purchased with the funds raised by the Alumni during the past year. It was also decided to hold a rummage sale in early October and Miss A. Leash and Mrs. H. Gandy were named conveners.

Prior to the meeting the members witnessed the turning of the first sod for the new wing of St. Joseph's Hospital, and later were guests of the Sisters for refreshments.

Popular Advisor Collapses, Dies

VANCOUVER, Aug. 2 (CP).—Students, alumnae, faculty members and employees at the University of British Columbia are mourning the death today of one of the university's most beloved and best-known figures, J. B. "Mitch" Mitchell, superintendent of the Brock Memorial Building since its opening in 1939, and un-

official advisor to student councils and club executives for years. Mr. Mitchell collapsed on the campus Thursday. University officials claim that Mr. Mitchell knew and was known by more students than any other person at the university.

Sherbets Perfect August Desserts

August weather getting you down? Then it's time for that new lease on life that sherbets can give, suggests Mary Frost Mabon, in McCall's for August, and she tells how to make five flavors, including avocado: "End dinner often with a sherbet—that's delightfully tart and tangy as well as cold as a snowbank. The

base of our frozen treats is refreshing old-fashioned buttermilk sherbet. It's easy as can be on sugar. You'll like it without any additions—or in the flavoured fruit variations: Snow sherbet, frozen peach delight, lemon ice, and avocado sherbet and red raspberry sherbet. "Snow sherbet: Mix 2 cups buttermilk with 1/2 cup lemon juice, 1/2 cup sugar and 1/2 cup light corn syrup. Pour into freezing tray of automatic refrigerator; set cold control at coldest point; freeze to mush.

Place in chilled bowl; beat smooth. Add one of the following mixtures for variation: Return to tray; freeze firm. Serves four without added fruit. Serves six with fruit additions. "Frozen peach delight: Add 1 cup finely diced fresh, cooked or canned peaches and 1/2 cup peach juice to half-frozen basic mixture. "Lemon ice: Add 1/2 cup more of lemon juice and 3 tablespoons grated lemon rind—also, if you wish, 2 drops yellow food coloring—before freezing.

ing. Have you tried putting a big block of lemon sherbet in the middle of a bowl of cut-up summer fruits and serving for dessert? "Avocado sherbet: They'll be intrigued by this smooth, pale green. Rich lasting surprise. Make by adding 1 cup pureed ripe avocado to the half-frozen basic mixture. Before you puree be sure to scrape every bit of the pulp from the skin; you need all the green of the fruit to color your sherbet. "Red raspberry sherbet: Add 1

cup crushed red raspberries and 1/2 cup red raspberry juice." **Foreign Exchange** NEW YORK, Aug. 2 (CP).—The Canadian dollar was down 3-16 at a discount of 3 1/8 per cent in terms of United States funds in closing Foreign Exchange dealings today. (Ottawa Foreign Exchange Board rates 1.00 to 1.00 1/2 per cent discount.) The pound sterling was unchanged at \$4.03 1/2.

Perfect Hand

VANCOUVER, Aug. 3 (CP).—The rarest of all cribbage hands, a 29 in the "crib," was reported today by S. C. Thomson, of Prince Rupert. Playing with A. S. Munro, chief engineer of the Ss. Prince Rupert, Thomson threw two fives into his crib. Munro discarded a five and the jack of spades and the cut turned up the five of spades. Thomson said he has never heard of anyone getting a 29 in a crib.

Black and Martell Reach Golf Final

British Columbian and Alberman Meet Today in National Golf Championship

MAYFAIR GOLF AND COUNTRY CLUB, Edmonton, Aug. 2 (CP).—Golfing history repeated itself tonight when Alberta Amateur Champion Henry Martell, the hot golfer from Edmonton, and Vancouver's veteran defending champion, steady, golf-wise Kenny Black, moved into the finals of the Canadian amateur golf championship for a repeat performance of the last such links battle six years ago.

Martell, who in that much-discussed final at Montreal's Mount Bruno course in 1939 dropped an 8 and 6 decision to Black, moved up with a decisive 10 and 8 victory over long-hitting but trouble-finding Jimmy Hogan, the better from Jasper, Alta.

It was one of the worst links tirades administered in this Canada's first national amateur since the war, and the Alberta hope came home with a birdie-studded card that proved in the final analysis to be just one over par for the tough, 36-hole semi-final grind around the tricky and deceptive Mayfair layout.

Black found a much tougher customer in his semi-final opponent, quiet, hockey-playing Bill Etnick, of Winnipeg and Ottawa, who in this, his first national tournament, displayed a bag of golfing tricks which could rival the best. He had Black one down at the end of the first 18 but a combination of trouble along the home stretch and steady play by Black ended the match on the 34th, 3 and 2.

Etnick gave the Black backers a scare by having his man one down after the morning 18.

The turning point in the see-saw match came early in the second round when Bill muffed an easy chip on the 20th and dropped in a sandtrap. Then he overshot the green and with Black safely on with a good lie, the hockey-playing golfer picked up and lost his lead. He managed to square the match once, but never got his lead back after that.

Bill was hooking his drives and

Ward Advances As Rucker Wins Golf Title

SPOKANE, Aug. 2 (AP).—It will be Marvin "Bud" Ward, of Spokane, the national amateur champion, and Lt. Ed Jones, of Minneapolis, a B-29 pilot, in the finals of the Washington State amateur golf tournament tomorrow.

Ward disposed of fellow-townsmen Jay Cornell, 9 and 7, in 3 holes, had been scheduled as a 36-hole semi-final match today.

Jones had to go a stroke below par to defeat Palmer Smith, of Seattle, 2 and 1, in the lower bracket.

Betty Jean Rucker, of Spokane, won the Washington State women's amateur golf championship with an easy 11 and 10 victory over Barbara Smith, of Vancouver, Wash.

Playing some of the finest golf of her career, the 21-year-old Spokane Country Club star went 8-up at the end of the first 18 holes and closed out the scheduled 36-hole match on the 26th hole.

Koroway to Miss \$7,500 Handicap

VANCOUVER, Aug. 2 (CP).—Koroway, the popular champion from K and K, Stables, will not be on hand to contest the running of the \$7,500 British Columbia Championship Stakes here tomorrow.

The horse is not yet recovered from a bout of sickness contracted following his race at Longacres in Seattle last week. This will permit Jockey Vic-Bovine to ride the Norman favorite, Brighton King.

Runners, in order of post position, and jockeys are:

Noble King—Craigmyle.

Cleveland Indians Buy Johnny Price

CLEVELAND, Aug. 2 (AP).—Another act was added to Cleveland Indians' baseball circuits today as Showman Bill Veck announced the purchase from Oakland of Shortstop Johnny Price, who "won't hit much but is the greatest baseball entertainer in the country."

"Well stand in the pitcher's box and throw two balls with one hand, one a curve and the other a fast ball," said Veck.

He'll stand in the pitcher's box and throw two balls with one hand, one a curve and the other a fast ball," said Veck.

But if Etnick was finding a little trouble, Jimmy Hogan was finding twice as much. The smiling six-footer was forever in and out of the rough spots along his rocky route through the last ten holes.

The Jasper better was over par figures on five holes on the afternoon round compared with Martell's afternoon trip with a two-over card.

Black found a much tougher customer in his semi-final opponent, quiet, hockey-playing Bill Etnick, of Winnipeg and Ottawa, who in this, his first national tournament, displayed a bag of golfing tricks which could rival the best. Ciros, Hoyle-Brown Play 11-Inning, 3-3 Deadlock

As close to 1,000 fans yelled themselves hoarse, Ciros and Hoyle-Brown, senior "A" fastballers, battled to an 11-inning 3-3 draw last night in the second game of their best-of-seven city championship series. Ciros still leads the play-off 1 game to 0.

The game was easily the most exciting seen on the dusty diamond at Central Park this year, yet all the runs scored were of the unearned variety.

Ciros were their usual selves at the plate, smashing out 13 hits, but some heady work by the whole team saw 11 of the red-garbed players being left on base. The Jonesmen fared little better, with eight men dying on the bags.

Hoyle-Brown took a 1-0 lead in the initial frame, but Ciros tied things up in the third when Fletcher Ken Givner, "the hit" here for five, singled, advanced on a fielder's choice and scored on Battle's error. They went out in front 3-1 in the fifth when Gus Hilton and Porky Andrews scored the play-off.

Hoyle-Brown committed two errors on the same play.

With two out in the seventh frame, Hoyle-Brown got hot in the ball game when Barnes gained first base as Norm Baker dropped Holmstrom. Red Palmer walked and Chuck Harrington singled. B. nes in Palmer then scored the tying marker on a fielder's choice.

From then on the clubs played shutout ball. Ciros made the only threat, a single in each over-inning, but the hit long Hoyle-Brown infield prevented them from scoring.

Score: Ciros 3, Hoyle-Brown 3. R. H. E. Ciros 001 020 000 00-3 13 3 Hoyle-Brown 100 000 200 0-3 4

Canadian Eleven Will Tour Abroad
TORONTO, Aug. 2 (CP).—A cricket tour of England by an all-Canada team in 1949 is being planned by Dominion and Ontario cricket officials. It was made known today. It is anticipated here that the team will inaugurate first match cricket between England and Canada.

Pro Cage Loop Possibility Ask Dominoes
Victoria Dominions have been invited to become a member of a proposed Pacific Northwest professional basketball league, it was learned yesterday.

Manager Dave Nicol has already been contacted twice by Seattle interests and has been invited to attend a meeting of interested parties in Seattle on Tuesday. It seems unlikely that Victoria will be represented at the meeting, due in part to the fact that its suitable playing surface is available for home games should other considerations be satisfactory.

The proposed loop has tentatively selected Portland, Seattle, Tacoma, Everett, Spokane, Salem, Vancouver and Victoria for clubs in the hope of a nicely balanced eight-team league.

Triplicate Draws Top Weight
INGLEWOOD, Calif., Aug. 2 (AP).—Triplicate and Historian, which put on a ding-dong show last week in the \$100,000 Gold Cup, tie into each other again tomorrow in the \$50,000 Sunset at Hollywood Park.

A crowd approaching 30,000 is expected to watch the 13-furlong feature, for which nine horses were nominated overnight. Dancing Master Fred Astaire's Triplicate, off his victory in the one and a quarter-mile cup, draws high weight of 122, up five pounds from last week.

Longacres Jockey Does Fine Riding

SEATTLE, Aug. 2 (AP).—Jockey Walt Litzenberg, the 23-year-old apprentice from Wapato, had a field day in tonight's twilight racing at Longacres as he rode four winners on the eight-race program.

The wins boosted his total to 84 winners in 31 days of racing.

Litzenberg was up on B. Ferguson's Bee Golly as he won the feature six-furlong seventh in 1:11 2-5. The mutuels payoff was \$3.60, \$3 and \$2.40 on a \$2 ticket. Kelly's Rose finished second to pay \$5.80 and \$3.10. Memory Gift paid \$3.10 to show.

Famous Dog Expert To Judge Show Here

The services of Mrs. Beatrice Godsell, of San Francisco, have been obtained by the Vancouver Island Dog Fanciers' Association for its all-breed show at the Bay Street Armory on August 31. The well-known judge, recognized as an authority on all types of dogs, trained K-9 dogs for the United States Army during the war.

The all-day meet promises to be a large affair, with a heavy entry predicted from Washington, Oregon and California, as well as British Columbia.

Red Sox Are Beaten Again Brooklyn Increases Margin

The Dodgers are working up that National League lead in its former standing again.

Their 3-2 victory over Cincinnati Reds, coupled with Philadelphia's victory over St. Louis by the same score, gave Brooklyn a 2 1/2-game lead over second-place St. Louis.

Rebounding from two straight setbacks at the hands of the Cards, the Pittsburgh Pirates and Giants divided, with the Buccos coping the opener, 5-0, behind the two-hit tossing of Fritz Ostermiller, and dropping the finale, 3-2.

Boston's pace-setting American League Red Sox suffered their third straight defeat as the Detroit Tigers pounded Tex Hughson and Jim Bagby for 13 hits and a 7-4 triumph.

By winning, the Tigers moved back into second place over the New York Yankees, who were strung out by Alie Reynolds and the Cleveland Indians, 3-0.

Reynolds allowed the Yanks only two hits in pitching his sixth non-septuor win and his eighth of the season. Cleveland won the contest in the opening frame when they counted twice off Starter Ernie Bonham.

Another veteran right-hander, Bucky Newson, rebuffed the Washington Senators to a 6-0 decision over Chicago White Sox.

The tail-end Philadelphia Athletics staged a 15-hit bombardment and downed St. Louis Browns, 8-3, with Celester Brody Broussard paring the assault on four St. Louis hurlers with four hits in five trips to the plate.

A scheduled game between Chicago Cubs and Boston Braves at Boston was postponed because of rain.

Jensen Whiffs 15 Athletics Win, 7-2

Big Righthander Scores 7-2 Triumph Over Spokane—Tommy Musgrave on Mound Today

Jumping on Joe Faria for all of their runs in the first three innings, Victoria Athletics squared their current series with the Spokane Indians at one game each when they handed the United States Nine a 7-2 trouncing at Howe Athletic Park last night behind the brilliant hurling of big Bob Jensen.

Out to break the W.B.L. strike-out record, Jensen blew his hard one past 15 Spokane hitters to give him a total of 202 whiffs for the season and is practically certain to establish a new mark.

One of the Indians top two moundmen, Faria ran into trouble in the first inning when two errors by Kubiak and another by Schultz

pleasure on his stay in Victoria as he looks over the local roster for some possible help for the hard-pressed Oakland club. Tommy Restell, who worked Thursday night's game, behind the plate, turned in a first-rate job—last night's contest abounded with good fielding. Schultz, Kubiak and Bishop, for Spokane, and Dunn and Cherry, for Victoria, each came up with one or more scintillating plays.

Earlier in the season, Athletics picked up Bill Dunn, Nell Clifford, Fee-Wee Baas and one or two more players from Spokane. The situation reversed itself following the tragic bus accident at Clifford, Al Raimond and Jim Hess caught on with the Indians after drawing their releases from the A's. Fans are urged to turn out and support a worthy cause on Monday evening when the pick of the amateur league take on the Athletics, with all proceeds going to the Spokane players' fund. Everyone expects Victoria to make a great showing and the stands should be filled with one of the season's larger crowds.

ATLAS George Brent, who recently scored as the doctor-hero of "Experiment Perilous," has another dramatic role as Claudette Colbert's second husband, a wealthy manufacturer, in International Pictures' R.K.O. Radio release, "Tomorrow Is Forever," which ends tonight at the Atlas Theatre. Oregon Welles has the third starring part in the unusual film, which revolves about the plight of a woman who twice in her life faces the same domestic crisis.

OAK BAY AND PLAZA THEATRES "Abilene Town," which ends tonight at the Oak Bay and Plaza Theatres, is a story from one of the most dramatic periods of American history—the development of the Great Plains following the Civil War—depicting the violent conflict of the cattle barons and the homesteaders for the vast, virgin prairies which represented security and political power. Ann Dvorak and Randolph Scott star in the picture.

Rio—"Bar 20 Rides Again," starring Hopalong Cassidy.

Royal—"Road to Utopia," starring Bing Crosby and Bob Hope.

York—"Our Vines Have Tender Grapes," starring Edward G. Robinson and Margaret O'Brien.

Capitol—"It isn't often that a THEATRE young actor gets his first real 'break' in pictures by being cast as leading man in an Academy Award winning picture. That is the experience of Mark Stevens in R.K.O. Radio's 'From This Day Forward,' starring Joan Fontaine. His reward came after several lean years in Hollywood. The picture ends tonight at the Capitol Theatre."

Dominion The latest adventures of the Bums, at the Dominion Theatre, are as hilarious as ever. This time, Dagwood decides to solve the housing problem and ends up in the doghouse (as usual). When Mr. Dithers is away, Dagwood hires a returned war veteran as an architect, only to find that the vet is a discharged Wac.

Rio A new type of Western THEATRE villain, almost topless in his dress, and shrewd in all his dealings, yet capable of unspeakable cruelty, comes to the screen in the person of Harry Worth. New York stage star, who makes his motion picture debut in "Bar 20 Rides Again," which ends tonight at the Rio Theatre.

Royal Today's your last chance to see the hilarious laughter piece, "Road to Utopia," starring that immortal trio, Bing Crosby, Bob Hope and Dorothy Lamour. It's a picture for young and old alike and a guaranteed blues-chaser. Performances are continuous from 12 noon. Added this include the Royal News, Popular Science and colored cartoon.

York Margaret O'Brien and Jackie "Butch" Jenkins have the leading roles in M-G-M's "Our Vines Have Tender Grapes," which ends tonight at the York Theatre. Edward G. Robinson is co-starred with Margaret. James Craig, Frances Gifford and Agnes Moorehead head the supporting cast.

Children's Sleep

By Dr. J. B. WARREN

OFF TO BED YOU GO!

Frequent loss of sleep, equal in amount to one-third of the usual amount required, caused by staying up too late, will almost certainly lead to disturbances in conduct and to physical conditions harmful to children's health. Young children and children of weak constitution and nervous temperament will show these harmful effects in the greatest degree. Sleep is as necessary as food and fresh air.

PLANETARY GUIDE FOR SATURDAY, AUGUST 3, 1946

Keywords for the Day: Teamwork, discipline, rest.

Saturday in General—Those who concentrate on getting things done by noon will accomplish the most. Later trends are best utilized for routine matters with the accent upon recreation and lighter interests.

If August 3 is Your Birthdate: Many happy returns! Famous persons born on this date include: Elisha G. Olla, elevator inventor; Jared S. Torrance, financier; Henry C. Bunner, author and editor.

Your Year Ahead—Be guarded in dealings with over-zealous people and check tails of agreements which effect your pocketbook. Many personal reforms and changing home conditions seem indicated.

How It Started

By JEAN NEWTON

TO BE "GULLIBLE"

It is to be as helpless as a baby sea gull!

"Don't be a goose!" We say it casually to a friend, meaning "don't act like a child." The expression is not new—it is at least four hundred years old. Another form of it, recorded later, was "don't be a gull!" It was, as we shall see, the same thing.

"Gull" is a generic term for long-winged, web-footed marine birds. The gull is mentioned in English literature as early as 1430, when it was current for an unfledged bird, especially a gosling or young goose. And in allusion to the helplessness of unfledged seabirds, it circulated figuratively during the 16th century and perhaps earlier, for one who was young, "green," therefore, inexperienced and foolish.

From this usage followed the application of "gull" for a simpleton, as in the typical instance, first recorded in 1594:

"Lives there anie such slow, ice-brained beef-witted gull!"

"Hence imposed upon" and "gullibility" for one easily duped. One of its early users was Sir Walter Scott, in his "Rob Roy," published in 1818 we find the passage:

"I am in certain things the most gullible . . . of mortals."

"Gullibility" was first used in 1793. (Released by The Bell Syndicate, Inc.)

Deep Snow in August on Forbidden Plateau

VISITORS to the Forbidden Plateau can still throw snowballs in August. If they have enough strength left after a strenuous hike over wilderness trails. Forbidden Plateau's Summer, which always lags far behind lowland seasons, was delayed at least four weeks this year, and old-timers believe snow will remain at many parts of the plateau all through the season. The above picture, taken recently, shows snowbound Panther Lake framed in hemlock boughs.

City Clerk at Port Alberni Quits Post Due to Ill Health

PORT ALBERNI, Aug. 2.—One of the district's active citizens, Herbert Bradley, is resigning from the position of city clerk after nearly 20 years of service. His illness forced him to relinquish his duties.

Born in Bolton, Lancashire, England, Mr. Bradley was articled to a shipping company at Liverpool, and came to Vancouver in April, 1911. He moved to Port Alberni in 1912.

His first position here was as assistant agent for the E. & N. Railway Company in 1912. At the outbreak of the Great War he joined the C.M.R. 11th Division and went overseas. He saw service in France and was seriously wounded. After spending ten months in hospital, Mr. Bradley was sent to Canada.

In 1927 he joined the city hall staff as assistant city clerk, and became clerk in 1929.

Mr. Bradley was active in civic affairs until recent illness. A member of the Masons, Barclay Lodge, Port Alberni, he is also treasurer of the Rotary Club, and Canadian Legion Branch No. 35. He was appointed station officer for Alberni District, and was on the executive of the Municipal Officers' Association for British Columbia from 1940 to 1944.

Mr. Bradley has been organist at St. Alban's Church, Port Alberni, for a number of years.

Many New Meters Used at Sidney

SIDNEY, Aug. 3.—A report of Sidney Water Board showed that 145 water meters have been installed, 50 have been rebuilt for additional connections, and 50 more new ones are expected from the factory.

An attempt will be made by the board to secure a quantity of concrete pipe used by the R.C.A.F. to construct air raid shelters. Pipe is required for cribbing in a well to be dug on board property off East Saanich Road.

Nanaimo Teachers Require Quarters

NANAIMO, Aug. 2.—Nanaimo district school board is endeavoring to secure accommodation for five married teachers with families who will move to the district for the reopening of schools next month. Rooms are also required for several single teachers.

Trustees interviewed the local branch of the Canadian Legion to find if it would be possible to house some of the teachers in an unused building at Camp Nanaimo.

Cowichan River Logs Jam Stream at Falls

DUNCAN, Aug. 2.—A large log jam on Cowichan River west of Skutumpah is being investigated by A. A. Sherman, Dominion Government fisheries inspector. The obstruction is the largest one for many years.

Move From Sidney

SIDNEY, Aug. 2.—Mr. and Mrs. Hugh J. McIntyre sold their home on Third Street to J. S. Davis, Saskatoon, and moved to Victoria. They resided at Sidney for 22 years, and published The Sidney and Gulf Islands Review for 20 years.

Duncan Construction

DUNCAN, Aug. 2.—Value of building permits issued by the city last month was \$34,100, and in North Cowichan, \$16,840. Largest permit went to Cowichan Creamery Association for a \$12,000 office and warehouse.

Burrards Take Overtime Game

VANCOUVER, Aug. 2 (CP).—Burrards and Salmonbellies slugged it out in an Inter-City Lacrosse League game here tonight which went into 10 minutes of overtime to see the Burrards emerge victorious on the high end of a 15-13 score.

Checking was rough, and the teams were stalemated at 10-all at the end of allotted playing time. Salmonbellies went ahead in the first five minutes of overtime, and when the whistle blew, they were ahead 13-11. Burrards came back fast in the second period and succeeded in overcoming the deficit and planting four in the twine.

Rod McLeod scored the 14th goal, the one which really gave Burrards the nod.

Kesseling Out Of Golf Tourney

EDMONTON, Aug. 2 (CP).—Gerry Kesseling, the 17-year-old Canadian junior golf champion from Kitchener, Ont., won't be going to Winnipeg to play in the \$10,000 Canadian Professional Golfers' Association tourney scheduled to open there next Wednesday, he said tonight. Instead, he'll be leaving for home tomorrow by train.

Kesseling made his announcement following a telegram from J. A. Fuller, president of the Royal Canadian Golf Association, to Gerald Kennedy, manager of the \$10,000 open at Winnipeg, that if the youngster accepted arrangements Kennedy had said were being made there to finance his entry, he would forfeit his amateur standing.

Veterans Work On New Homes

SWIFT CURRENT, Sask., Aug. 2 (CP).—Nineteen veterans associated under co-operative plan to erect their own homes here, today were working on the foundations of the buildings.

The houses will be four-room one-story constructions measuring 18 by 20 feet. Additions to the buildings will be made later.

OTTAWA, Aug. 2 (CP).—The Dominion Department of Agriculture in its Livestock Market Review said today that good clearances were made on all cattle markets in the past week. "Prices were steady on active trading," the review said.

Ladysmith Float To Be Built Here

LADYSMITH, Aug. 2.—The city council learned from K. W. Morton, district engineer for the Dominion Public Works Department, that construction of the new float and breakwater here had been delayed by the I.W.A. strike.

Pacific Pile Driving Co., Ltd., Victoria, has the contract. The float and wooden breakwater will be assembled in the capital city and towed to Ladysmith.

Ladysmith Property Prepared for Homes

LADYSMITH, Aug. 2.—Nanaimo interests purchased the Davis Farm south of the city and plan to open a subdivision called "Seaside Acres." The farm has an area of 140 acres. The DeClark and Reid subdivisions on Fourth Avenue extension are also being made ready for building purposes.

Yenan Bombed Communists Say

NANKING, Aug. 2 (AP).—The Communist radio charged that Chinese Government planes today bombed Yenan, capital city of Chinese Communism, even while negotiations ostensibly seeking peace and unity still proceeded in Nanking and Kuling.

Although unconfirmed, even the report of such an attack was regarded certain to blacken the already dark prospects of mediation between the two bitterly opposed factions.

While General Marshall and Ambassador John Leighton Stuart, America's two top diplomats in China, still were conferring with both sides, the United States marines in North China were assigned tanks to be used if needed to keep open the Peiping-Tientsin road.

It was on that road Monday that Communist troops ambushed a marine motor convoy, killing three marines and wounding 12. One of the wounded died today.

Whistling Laborer Held for Murder

TORONTO, Aug. 2 (CP).—A stocky 31-year-old laborer who whistled as he was escorted from police headquarters, Angus Young, of Toronto, was held in jail tonight on a charge of murder laid a few hours after 35-year-old Georgina Washington was slain in a savage hammer-and-axe attack on her and her three tiny children.

Two of the children, Joan, two, and Donald, seven, died in hospital. Doctors performed a delicate brain operation to save the life of Florence, three, but the child's condition remained critical.

Young, in magistrate's court, was remanded to August 10 without being asked to plead.

Police said Young was a roomer in the two-story brick house on Central McCaul Street, on the fringe of a slum district, in which Miss Washington and her children had lived for two years.

'Quake in Chile Report Two Dead

SANTIAGO, Chile, Aug. 2 (AP).—Two persons were killed and several injured today when a severe earthquake rocked the city of Copiapo, 400 miles north of Santiago, causing extensive damage.

The Interior Ministry said a child was killed in a public school and a woman died in a hospital when the walls of both buildings collapsed.

The earth tremor, which occurred about 2:30 p.m., extended from Santiago to Iquique in the extreme north of Chile, but it was imperceptible here except by instruments.

Woman Seeks Hidden Bonds

VANCOUVER, Aug. 2 (CP).—Mrs. Ada Willoughby, of Vancouver, said today she is searching for \$2,000 worth of Victory Bonds she is sure a retired coastal fisherman had before he died in hospital here last February.

Mrs. Willoughby said Frederick Frewin, 70, had the \$2,000 worth of bonds and he hid them and a will. She added she wants the money for Frewin's penniless sister, Mrs. E. M. Frewin, of Somersetshire, in England.

Mrs. Willoughby's lawyers have checked safety deposit holdings in Vancouver banks but so far have had no luck in uncovering any bonds owned by Frewin, who was a bachelor.

Congress Ends Long Sitting

WASHINGTON, Aug. 2 (AP).—The 79th Congress, which wrestled with vast issues of war and reconversion, passed into history tonight, ending a session which began last January 14. It was the first time in eight years that Congress has gone home in Midsummer.

LADYSMITH, Aug. 2.—Nanaimo interests purchased the Davis Farm south of the city and plan to open a subdivision called "Seaside Acres." The farm has an area of 140 acres. The DeClark and Reid subdivisions on Fourth Avenue extension are also being made ready for building purposes.

Registered Nurses' Association Silent on Emergency Permits

Hospital details are "sitting tight" while they await the Registered Nurses' Association's first move in the controversy over the recent announcement that temporary emergency permits to nurses would be cancelled. Dr. T. W. Walker, superintendent of the Royal Jubilee Hospital, said last night. No meeting between hospital boards and the Nurses' Association is anticipated.

Meanwhile, nurses in Victoria hospitals expressed the belief that the Nurses' Association would rescind its decision to withdraw temporary permits from nurses who obtained their training in other provinces and are not fully qualified by British Columbia standards.

Back From Tour Of Ontario Woods

Having completed a ten-week term on loan to the Ontario Royal Commission on Forestry as an adviser on forest protective problems, E. W. Bassett, forester in charge of operations in the British Columbia Forest Service, resumed his duties in Victoria this week.

Mr. Bassett accompanied the commissioner, Mr. G. C. Kennedy, whose appointment was similar to that of Chief Justice Gordon Sloan in British Columbia, on a familiarization tour of the forested areas of Ontario. Later this year the Ontario commissioner will begin public hearings throughout that province.

Cardinal Turns First Sod of New Hospital Wing

Dignitaries of church and state are pictured above just before James Cardinal McGuigan, Archbishop of Toronto, turned the first sod of St. Joseph's Hospital's new \$1,000,000 wing. From left to right they are: Dr. George Hall, Hon. Mr. Justice C. H. O'Halloran, His Eminence James Cardinal McGuigan, D.D., Premier John Hart, Mayor Percy E. George, Bishop John C. Cody. The lower photo shows Cardinal McGuigan turning the first sod. On his right is Henry O. Whittaker, British Columbia Government chief architect, who planned the new structure.

New War on Hemlock Sawfly Now Waged by Imported Wasps

Another war in the insect world has been waged.
Flown 3,000 miles across the continent as passengers of Trans-Canada Air Lines, swarms of insects of the wasp family are now operating under their own power in the

hemlock forests of the Queen Charlotte Islands.
The invasion force of tiny winged fighters is spearheading an attack on the hemlock sawfly, a forest enemy that has recently made its appearance in the northern islands and might become a serious menace to valuable timber if left unchecked.

Technically known as *Sternia*, the imported wasps are a natural parasite enemy of the sawfly, laying their eggs in the body of the sawfly larvae with fatal results to the latter when the eggs hatch.
Dominion entomologists are responsible for the experimental introduction of *Sternia* into the Queen Charlotte Islands. They were brought from the Dominion Parasite Laboratories at Belleville, Ont. Results of the experiment will be followed closely for the next two years, with hopes that the wasps will prevent the sawfly from getting too strong a hold in the forests.

There is no danger of the *Sternia* developing into another forest pest, according to H. A. Richmond, head of the Forest Insects Investigation Branch of the Dominion department, now on the island.
Although the sawfly has not yet appeared in serious numbers in the Queen Charlottes, it is a dangerous pest in Washington and Oregon; where it is ruining thousands of trees, Mr. Richmond says.

City Police Court

Chow Quon was remanded until August 9 by Magistrate Henry C. Hall when he appeared in city police court yesterday morning on a charge of offering a \$40 bribe to city police Constable Robert Morris.

A charge of being in possession of two unexpired liquor permits against Frank D. Stuart was withdrawn in city police court yesterday. Claude L. Harrison, city prosecutor, told the court he was satisfied the second permit found on Stuart was the property of Stuart's father.

Harry C. Carnell pleaded not guilty to a charge of supplying an intoxicant to an Indian and was remanded until Monday for trial.

Cardinal Turns First Sod At Hospital

His Eminence James Cardinal McGuigan, D.D., Archbishop of Toronto, turned the first sod of St. Joseph's Hospital's new \$1,000,000 wing yesterday afternoon. Building will commence immediately. Sister Mary Kathleen, sister superior, said: Mayor Percy E. George told the gathering that a definite indication that more hospital accommodation was needed was the fact that the population of Victoria had risen in recent years from 63,000 to 94,000.

Dr. George Hall, in a short talk, said the 200-bed eight-story structure would be modern in every respect, and was planned by Henry O. Whittaker, chief architect of the British Columbia Government. Justice C. H. O'Halloran introduced the speakers.
Before the ceremony, a special luncheon was held in the auditorium of the St. Joseph's School of Nursing.

His Eminence, to round out a busy afternoon, informally visited Mount St. Mary, Loreto Hall, the Chinese Mission, the Poor Clares Monastery, and St. Mary's Priory.

Deforestation to Immortality Range of Examination Boners

Now that matriculation examinations have passed into history, it is possible to reveal that new depths of daffiness were plumbed by certain unconscious humorists who wrote them.

Examination marking men, wearing masks and dark glasses, crept furtively into The Daily Colonist offices yesterday with black brief cases full of choice boners.
"An example of an acute infection is a romantic heart," wrote one student who was wiser than he knew.

Another student, probably the victim of rigid parental discipline, was apparently indulging in wishful thinking when he wrote that "the National Department of Health looks after despotic mothers."

"Cleanliness of thought results in no immortality," wrote one young septic. Another was of the opinion that "the appendix is the information section of the health test."

"Baking powder when heated and moistened gives the compound plaster of Paris," stated another lad. Could he have had Mrs. Newlywed's rock cakes in mind?
"From the social standpoint, the development of the individual is influenced most markedly by women," is scarcely a boner but a melancholy fact, according to one.

Adam Bell to Succeed Winn As Compensation Board Head

Orders appointing Adam Bell, present deputy minister of labor, as chairman of the Provincial Workmen's Compensation Board, were signed yesterday by the Cabinet.

He succeeds E. S. H. Winn, 30 years board chairman, whose resignation effective August 31 for reasons of ill-health was accepted by the Government yesterday.

Mr. Bell's appointment is for a period of 10 years. It will necessitate some major changes in the Labor Department.

Announcing the changes yesterday, Labor Minister G. S. Pearson said the Government deeply regretted the circumstances which had decided Mr. Winn to resign.

Tons of Sugar In Warehouses

SEATTLE, Aug. 2 (AP).—The Seattle Times said today hundreds of thousands of 100-pound bags of sugar are lying in the state's warehouses, despite heavy shipments to other areas and an imminent large crop.

Paul Kirker, Washington sales manager for the Utah-Idaho Sugar Company, reported on the large stocks, the paper said, and he added: "When Secretary of Agriculture Anderson announced he could see no opportunity for increasing the sugar supply to the consumer until next year, we were very surprised. It doesn't seem reasonable in view of the tremendous crop staring us in the face, with heavy refining starting in October, combined with the Cuban sugar that will be arriving on the East Coast."

Majors Draft Pension Plan For Players

NEW YORK, Aug. 2 (AP).—What probably has been the dream of many a baseball fan—to stack the National League against the American, right down the line from post-setter to tail-end—may come true if the major league club-owners approve a proposal drafted today by player delegates from each National League team.

This plan, designed to raise funds for a player pension pool, would set aside an early day each July on which the rival league teams would be matched on the basis of the July 1 standings. The plan was approved by the 15 delegates and was the principal topic of discussion.

The pension plan itself will take months to work out. Fred (Dixie) Walker of Brooklyn Dodgers and Marty Marion of St. Louis Cardinals had a preliminary talk yesterday with five insurance company representatives. The next step is to submit to the company a list of the National League players, their ages, salaries and other details, from all of which the actuaries will be able to draft a pension arrangement.

But no matter what the final scheme, funds will be necessary. It is in this respect that the proposed "holiday" looks as important, for it is estimated such a series of games might raise a gross of \$230,000—figuring on an average attendance of 30,000 for the eight games, at an average admission fee of slightly less than a dollar.

The holiday scheme, together with other proposals drawn up by the National League player delegates at their first meeting last Monday—a \$5,500 minimum wage, 60-day severance pay, a \$5-a-day expense allowance during Spring training, and the like—will be submitted to the owners' steering committee next Monday.

Pro or Amateur? Dodo Tourney Poses Problem

SPOKANE, Aug. 2 (AP).—The thin line of demarcation between golf amateurism and professionalism is being strained to the point of bulging by the deluge of Spokane athletic round-table victory bonds.

There's a United States Golf Association ruling that an amateur may accept no more than a \$100 victory bond in reward for his links prowess. Bonds ranged from \$25 to \$1,000.

Now the question the U.S.G.A. will have to settle is, was the hole-in-one tourney, conducted strictly for charity, an accepted golf tournament in all senses of the word, or was it just a freak form of competition utilizing gold equipment.

Some of the amateurs were wary of accepting their prizes. Betty Jean Rucker, of Spokane, won \$150 in merchandise. She'll probably accept only the \$100 in merchandise, inasmuch as she's the region's best woman golfer, is comparatively well-fixed financially and prefers amateurism to turning pro.

Golfers who won some of the major prizes, however, had no qualms. They're mostly week-end golfers who will shoot anywhere from 75 to 90 on successive rounds, and who look a lot more practically upon an auto or an airplane or a sizable bond than

they do on their state of amateurism.

Women amateurs are going to have to wrestle with their conscience, too, the end of August, when the round table stages the first national women's match play open with \$10,700 in victory bonds up as prizes.

O.C. Cricket

LONDON, Aug. 2 (Reuters).—Yorkshire county cricket champions for three years in a row before the war, went to the top of the table for the first time this season today by defeating Northamptonshire.

Yorkshire won by an innings and 23 runs. First innings: Yorkshire 344 for five wickets declared, Northampton 183; second innings: Northampton 138.

Dark Horse Upsets Eastern Golf Stars

ISLINGTON, Ont., Aug. 2 (CP).—Elmer Blower, of Weston, Ont., provided the biggest upset in the race today for the Eastern Canada professional championship in match play on this old course near Toronto.

Two former champions bowed before the "dark horse" of the tourney. He put out the former titleholder, Dick Borthwick, of Hamilton, in the second round, by a 3 and 2 count after knocking out the highly-favored and three-time champ, Bob Gray, of Scarborough, on the last hole in this morning's round.

Montreal Stages Big Track Meet

MONTREAL, Aug. 2 (CP).—Apparently unanished by the glittering array of American track talent which arrived in town earlier today, Ontario members of Eastern Canada's track and field team reached here tonight.

The Eastern-Canada squad will engage the United States eastern seaboard outfit tomorrow afternoon at Molson Stadium in the Dominion's first postwar international meet.

Weather forecasts today indicated a damp track. Two changes in the Canadian team were announced. Walter Young and Larry Cavanaugh, both of Montreal, have been named to replace Gerard Cole, of St. Hyacinthe, Que., three-time winner of the Boston marathon, and Lloyd Evans, Quebec provincial champion, in the five-mile jaunt.

Eight Canadian champions were in the Ontario contingent arriving from Toronto. They were Vic Sandbrook, of Toronto; and Bob McFarlane, of London, Ont., sprinter; distance runners Bill Morris (mile), of Toronto, and Walter Fedorick (five miles), of Hamilton; high hurdler Ken Rock, of Windsor, Ont.; pole vaulter Murray Gayman, of St. Catharines, Ont.; Bill Kerr, of Toronto, Canadian high jump champion, and Toy Salo, the Toronto Finn, Dominion discus titleholder.
